

"Lev el Elohim" Ministry

We, Allan and Denise Auths, believe that on instruction from God and by the leading of the Holy Spirit, established Lev el Elohim Ministry officially in 2005.

Lev el Elohim is a teaching ministry that operates as a non-profitable ministry, inter-denominationally and functions mainly as a traveling ministry. This ministry is a visual teaching ministry, that lends itself to the creative arts, as you can see from the inserted photographs in this brochure.

Commissioned and sent by God in 2002, Denise has been teaching the Word of God in a full time capacity. All praise to Elohim, our Father God and Jesus Christ our Lord and Saviour, who has since faithfully opened the doors of opportunity for this ministry, confirmed the calling on our lives, guided our steps, equipped and enabled us to minister under the name: **Lev el Elohim**, which means **Heart after God**.

Over these past years Denise has had the privilege of ministering on a wide range of Biblical topics, from the foundational truths of God's Word, at retreats, seminars, conferences, in church services and Christian events across South Africa, with Allan in a supportive role as the ministries main intercessor and sound and video technician. Currently in our local church we still serve in different departments of which Denise heads the women's ministry and preaches on a regular basis.

Mission statement:

Our desire and passion is to bring Believers into a deeper intimacy with God. Awakening and challenging the people, that we have the privilege to minister to, to diligently seek God with a passionate pursuit for His presence and purity of heart. Encouraging them to develop a heart of worship in reverential fear of the only Sovereign God. To have a **"Heart after God"**.

As for the past, we both came to know the Lord Jesus Christ as our personal Saviour before our marriage in January 1977. Since then we have together held fast to the promise in Phil 1.6 that He who began the good work in us will complete it!

From 1990, as God opened the doors of opportunity for Denise, who began ministering the Word of God in a part time capacity. In 1998 Denise completed a 3-year Ministerial Theological Training diploma and was a lecturer at the same Bible School until 2005. 1997 the Lord also called her to the creative ministry of praise dance, at which time she started an inter-denominational praise dance and drama group called "Yahweh Shammah", which Denise coordinated and then handed over in 2003. In 2002 Denise initiated and co-founded a network, which she also coordinated, for support for praise dancers namely, SCAN.

MINISTRY RESOURCES:

Denise has written and compiled bible studies and booklets, as well as a Heart after God booklets series. These booklets, studies, DVD & CD sets and other resource material are available for purchase. See website for more details.

"Intimacy beyond the veil" Is only one of the many creative ministry tools that God has given us to use. It involves erecting a life size replica of the Tabernacle. After completion of the course namely, the Tabernacle, in which the spiritual significance, symbolism, and value to us a believers today is explained. Opportunity is then given to walk through a "Tabernacle experience"!

A life changing spiritual journey beginning at the gate, going beyond the veil.

We also offer a variety of theoretical courses based on biblical principles, to help believers find out more about:

- Their identity in Christ! What is God's ultimate Redemptive plan, purpose, dream and will for our lives?
- Enriching our personal walk and intimacy with God.
- Prayer, spiritual warfare and our authority as Believer.
- Dynamics of thanksgiving, praise and worship.
- Song of Solomon which opens up understanding of the Bride of Christ.
- Teaching on the Tabernacle of Moses, David's Tabernacle, Temple of Solomon & New Jerusalem.
- The 7 feasts of the Lord and other Jewish customs of the Old Testament and their foreshadow of Jesus Christ.
- Are but a few of the courses we offer. For more information on the other courses see our website!

I believe that it is time to raise up true worshippers and not performers. Therefore, I also offer workshops on the use of the creative arts and how they can enrich our ministry of worship before God, both in our personal capacity and in the corporate body of congregational worship!

Go through, go through the gates! Prepare the way for the people. Cast up, cast up the highway! Gather out the stones. Lift up a standard or ensign over and for the peoples. Isaiah 62:10

The financial side of the ministry!

Ministry during Sunday church services, I would appreciate it if our traveling cost be covered and accommodation provided. There's no specific set fee charged. The love gift that the Lord God lays on your heart, to bless this ministry financially, will be most welcome, greatly appreciated and we know God will richly bless you.

For conferences, seminars, retreats, leaders training, creative arts workshops and the courses that we offer, there is a charge per person, plus our traveling cost and accommodation if needing to stay over.

We believe that God has called, commissioned and sent us to go minister His word to the nations! So therefore we confident that our ABBA Father will continue to equip and faithfully provide for us, in all our needs and sustain this ministry that He has called us to!

"An all of us, as with unveiled face, because we continued to behold in the word of God as in a mirror the glory of the Lord, are constantly being transfigured into His very own image in ever increasing splendor and from one degree of glory to another; for this comes from the Lord Who is the Spirit."
2. Corinthians 3.18.

Vision

✦ To be a willing and available instrument in God's hand. To stir the hearts of believers to rekindle their first love and passion for His presence. To bring a word in season by the leading of the Holy Spirit and to spread the gospel of God's love and the fragrance of Christ to the nations. Striving at all times to do our utmost to present ourselves before God approved, servants who have no cause to be ashamed. Being sensitive to hear God's voice so as to accurately present and skillfully teach the Word of Truth unadulterated and above censor.

✦ To call, stir, awaken, challenge, disciple, equip and encourage the Bride of Christ through a teaching ministry that lends itself to the use of the creative arts and visual aids. To encourage believers to seek to know God more intimately and stir true worship within the hearts of all believers, through Word ministry.

✦ To disciple and enrich believers lives with the Truth, so that they can be delivered and set free, and through their daily lifestyles make a difference in their unique market places! Fulfilling Matthew 28.18-20.

✦ Also giving creative art workshops, so as to stir up believers to discover their unique God given talents, gifting and creativity within them, and so becoming more effective and better equipped to use the creative arts as an extension of expressive praise and a vehicle in which to express their heart of worship before God.
